Duracell® Ultra Deep Cycle AGM Batteries are designed to achieve maximum cycles throughout the life of the battery. Duracell® Ultra Deep Cycle AGM Batteries maintain their high capacity with a design that is resistant to deep discharge. Whether you are on the golf course, in the boat or working on the warehouse floor, you can count on Duracell® Ultra Deep Cycle AGM Batteries to keep you running.

Features:
• At least 40% more cycles than general purpose batteries in the same application.
• Specific grid structure and thicker plates provide longer cycling capabilities than that of conventional AGM batteries.
• Increased cycle life over standard AGM batteries in deep cycle applications.
• The unique design construction and sealing techniques of the Duracell® Ultra battery guarantee leak-proof operation regardless of the battery’s position with no adverse effect on its capacity or service life.
• Duracell® Ultra batteries are manufactured in compliance with the quality management system standard of ISO 9001.
• Quality Assurance Engineers monitor and control the entire production process.

Perfect for:
Wheelchair/Mobility, Riding Toys, Fishing Equipment, Floor Scrubbers, Golf Carts and more.

150-250 Cycles at 100% Discharge

Sealed Lead Acid
Maintenance Free  Spill Proof Design  1 Year Warranty  Stringent Quality Control

Account Benefits
Delivery Available

### Charging, Maintenance, and Storage Tips

- **Recharge after each use and store battery fully charged.**
- **Do not store in a discharged state.** Charge batteries every couple months.
- **Overcharging kills batteries.**
- **Undercharging shortens battery life.**
- **Disconnect charger once fully charged.**
- **Use charger that provides proper voltage for the battery.**
- **GEL batteries are charged at 13.8 - 14.1V.**
- **Check battery for corrosion or deformation.**
- **Store in cool, dry place (68°F is best).**

*All tips do not apply to all batteries. See battery packaging for specific information.*

### SLA Terminal Types

- **F**
- **F2**
- **NB**
- **C**
- **P**
- **J**
- **Spring**
- **DT**
